## Swami Dayananda AIM for Seva Chatralayam for Boys

Student Strength: 16

### DONOR VISITS

Donors drop by regularly to interact with the students and give them school supplies.

### RECREATION

These boys are lucky to be staying in a locale of such scenic beauty. The boys were taken to a bird sanctuary for a day.

The boys in this hostel are enthusiastic gardeners and they have created a vegetable patch of their own in the hostel premises.

### CELEBRATIONS

Festivals of course are a break from the tedium and the students are always planning well ahead of time. Holi is celebrated in a big way and comes as a welcome interlude for the strenuous hours put in for the annual examinations around the corner. Annual Day and Republic Day celebrations were a great hit.

### SPORT

There are quite a few sports enthusiasts and they love outdoor games.

### WELLNESS

Yoga helps our students to start the day on a positive note and many of them are exceptionally good at it.

### ACADEMICS

The hostel showed a 98% pass percentage and there has been a marked improvement in our students' performance. They have displayed an eagerness to learn and improve on their scores. The after school support has helped greatly in this. Many of our students have developed a habit of reading. The camaraderie amongst the students is worth mentioning as one can witness their eagerness in helping those who need their help.
