(Chatralayam - Repalle)

### CELEBRATIONS

Our students celebrated Republic Day with great fervour. The function saw hoisting of the tricolour. Annual Day celebrations saw enthusiastic participation of all our students.

### WELLNESS

Reading is a favourite hobby for our hostel students. All the students are up early to practice yoga before they are off for their studies at school.

### PRAYERS

Prayers are an integral part of our students' daily rituals – be it at the start of day or before a meal. They are taught sacred chants and moral values to ensure they stay rooted in our culture.

### GREEN ENERGY

Solar energy ensures the hostel has uninterrupted access to electricity. This helps a great deal especially during the examination season.

### ACADEMICS

The students have been showing improvement in their academic performance.

### SOCIAL RESPONSIBILITY

The students keep their hostel space and the adjacent space clean. They frequently talk to the villagers about the importance of healthy living.
