## Dr. Rangrao N. Jadhav AIM for Seva Chatralayam for Girls

Student Strength: 50

### ACADEMICS

Students from this hostel are progressing well academically. They come back to the Chatralayam from school and sit down with their books to do homework in the evenings.

### HEALTH

Health camp was organised for all the 50 students living in the hostel.

### DONOR VISIT

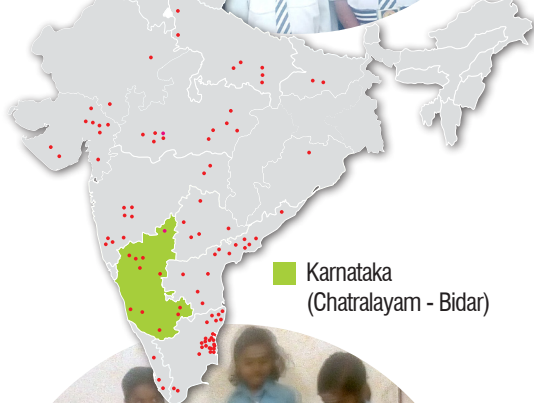

Many of our donors spend time with our students in the hostel.

### CELEBRATION

Not just festivals, we celebrate birthdays of our students in the hostel. Be it Diwali, Holi or Ganesh Chaturthi, the students usher in a world of joy, colours and knowledge.

### ENVIRONMENT

The solar energy panels installed in the hostel has enabled us to conserve energy to a large extent. When these students go back and talk to their friends and family, awareness of sustainable methods spreads.
