Student Strength: 20

ACADEMICS

There has been an overall improvement in the students' academic performance. They enjoy going to school and complete their homework sincerely. The feedback from the school is that our students are active learners and participate in all classroom discussions keenly.

ALUMNI

Many of our alumni are now working in various sectors in Mumbai. For example, Siddanagouda B.S. is now well placed as a tool designer with Devu Tools Private Limited that is located in an industrial complex in Mumbai.

CELEBRATIONS

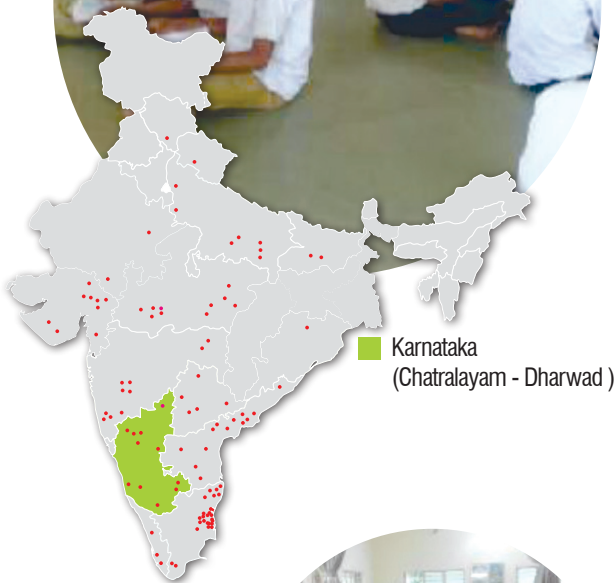

Students decorate the hostel, perform, sing and dance. They make clay models of the idols and enjoy the sweets and savouries distributed to them. Be it Founder's Day, Diwali, Holi, Independence Day or Ganesha Chaturthi or a fellow hostel mate's birthday, they make sure they enjoy every moment with their friends in the hostel.

ENVIRONMENT

To spread the idea of Prime Minister Narendra Modi's Swachh Bharat, students clean the hostel surroundings, talk to the people in the local community, initiate them into the act of keeping their street clean, making them understand bio-degradable wastes.

HEALTH

Yoga results in physical and mental well-being of our students. Their day starts off with yoga and this helps them to be sharp and agile all throughout the day.
