ACADEMICS

Academic performances of students have increased over the years. Students now find it easier to follow instructions and do homework on their own.

HEALTH

Health camps are organised twice a year for the students living in the hostel. Since they come from economically weaker backgrounds, we ensure the food that is served to them on a daily basis is adequately fortified with minerals and other essential micro-nutrients.

CULTURAL VALUES

By celebrating the multitude festivals, our students start appreciating the richness of Indian culture and tradition. During Diwali, Holi or Ganesh Chaturthi, our students get together and celebrate all our festivities in the true spirit.

CELEBRATIONS

Festivities are not restricted to festivals alone. Birthdays of our students are celebrated across all our Chatralayams in India.

CULTURE

Sloka chanting is part of everyday life. Spirituality and daily prayers has helped our students develop a positive personality.
