Student Strength: 25

OUTDOOR TRIP

Our students were taken on a day trip to the Gundichaghagi waterfalls which is a picnic spot and a nature lover's paradise. Such outdoor trips help break the monotony of everyday hostel life and help our students unwind and enjoy each other's company in an informal environment.

CELEBRATION

Republic Day, just like Independence Day, is observed with all due respect and reverence.

ACADEMICS

The hostel students glow in excitement when their hard work pays off. This time all of them have passed out with flying colours.

RECREATION

Our students have grown potatoes in the hostel's green patch and they are very excited with their harvest.

ARTS

Our hostellers enjoy drawing and painting in their free time. One of our students, Shiba Hembram, won the 3rd prize in a painting competition held at the taluk level. The 6th class student has now been selected for the district-level competition.

SPORT

As much as the students take care to study and be up to date with their lessons, they are made to spend time outdoors as well. The boys' favourite game is football.
