ACADEMICS

The board examinations saw a 100% pass rate with all the students scoring above average percentages. Our students participated in the 'One Day, One Story' event organised by Pratham Books. Our students enjoy spending their time creating art works.

MUSIC

Ms. M. Sowmya, an enthusiastic volunteer, teaches Carnatic music to our hostel students. Her classes go on for two hours each day and Ms. Sowmya started lessons in the hostel from 2017. Our students enjoy their musical sessions, that includes introductory lessons, keertanams and bhajans and look forward to her classes.

CELEBRATIONS

Across our hostels, we celebrate the birthdays of our students. As many of them come from under privileged backgrounds, it has been our endeavour to make their birthdays special. They cut a cake and enjoy the day with their friends.

SPECIAL MEAL

Many of our donors shower affection on the students by donating special meals on special days in their lives. This gives them a feeling of goodness that they have done their bit to make others feel cared for.

SUSTAINABLE DEVELOPMENT

Our students enjoy gardening to the core. When they plant the seeds, water them and see flowers and vegetables grow, it leads to an overall therapeutic effect in the hostel campus.
