ACADEMICS

The board examinations saw a 100% pass rate with all the students scoring above average percentages. The 29 students living in the hostel enjoy reading. They participated in Pratham Books 'One Day, One Story' event as well. They got to bond over books and stories. This interest in books has helped them improve their language skills.

RECREATION

Our students attended a three-day summer camp held at the Chinnasalem Chatralayam. Outdoor trips and camps help break the monotony and inculcate team spirit and bonding among the hostellers.

CULTURE

Indian cultural values are inculcated naturally by celebrating festivals and rituals. Our boys attended a Sanskrit camp held in the Sriperumbudur Chatralayam that was conducted by our alumni students.

Local donors are a constant support. They are ever enthusiastic to help out whenever required. They spend quality time with the students.
