ACADEMICS

The board examinations saw a 100% pass rate with a marked hike in the average percentage.

The library has become a hub for the students to flip through books, discuss with their peers and broaden their knowledge base – and they simply love it.

ACCOLADES

V. Manikandan has a passion for writing. Upon encouragement, he participated in the Tamil essay competition held at his school and won a certificate of appreciation in the senior category.

RECREATION

Our children participated in the 'One Day, One Story' event organised by Pratham Books.

CELEBRATION

Festivals are a grand affair at the hostel. On the occasion of Ganesh Chaturthi, our students made a palanquin with battery operated lights for Ganesha out of paper. During Diwali, they make beautiful rangolis and savour the sweets given to them.

HEALTH

Medical camps are conducted regularly at the hostels. We have now started giving our students multi-nutrient salt for their betterment and cure them from deficiency of vitamins and minerals. Students love to do their early morning yoga sessions.

SUSTAINABLE DEVELOPMENT

All our hostels are eco-friendly. We have a small kitchen garden and the premises conserves electricity by using solar energy.
