### WELLNESS

Prayers and value inculcation ensure that both the mind and body of our students work in tandem. Yoga is a daily activity that the students take to with pleasure.

### ACADEMICS

There has been great improvement in academic scores even among the new students. All our 50 students did well and we witnessed 100% results.

### AFTER SCHOOL SUPPORT

An important aspect of our value-based education model, this intervention has helped the students in the hostel to a large extent in coping up with academics. The library located in the hostel premises has helped our students in becoming good readers and they have improved on their knowledge base.

### SUSTAINABLE LIVING

Our students love gardening. They spend a lot of their free time with the plants and the flowers.

### CELEBRATIONS

The girls eagerly participated in all festivities.

### ARTS

Our students love to draw and paint. They learn Hindustani classical music every Sunday from Mr. Ravibhai from Vadodara.

### ACCOLADES

### VOLUNTEERS

We have volunteer teachers coming in regularly who teach English, Gujarathi, maths and science to all girls regularly.
